“ Tom, Rhonda, Becky and grands. Dingles, Oretia and Lamonne I was so sorry to get the news early morning that Gloria had left this earth. But, know she is in perfect body now, no pain and healed. She will be so missed! Thoughts and prayers are with all of you now and in the days forward. I hate we don't get to see each other like we used to when growing up. Then with this virus going on -can not even be there for comfort in your time of loss. Please know my heart aches for y'all.

“ Worked with Gloria at Brown Shoe and Quartet. She was such a good person. She could never do enough for the people she loved and enjoyed every minute of it. She loved and talked about her family so much. I'm so very sorry and will be pray for y'all, Tom, Becky and Rhonda. I hate that we cannot attend funerals these days but life as we know it is forever changed. Love you all.
