“ She always had a smile,gave me a hug and had a kind word to say.She was a Christian every day and not just on Sundays. She set a good example for others to follow by the life she lived.To know her was to love her .I know she is rejoicing in the presence of Jesus her Lord and her loved ones welcomed her home with a Grand Celebration.Many will miss her but like me they will see her again.

“ My son passed away this past October and she came to the visitation. She said I wanted to see you and let you know I will be praying for you. And I know you don't think you can make it through this loss but look at me she said I have buried all of mine and Jesus helped me through.
So when you think you can't take this grief another moment or another day just lean on Jesus and he will see you through!
Virginia I won't cry for you because you are celebrating Jesus with all of your sons today.
