“ I always loved visiting when he was little. He loved when we would get there. I can remember how excited he would get to see everyone. He loved to show us his wrestling moves. All he had to do was get an arm in your hair and he had you 😊. He was such a blessing to us all. I'm so sad I can't be there to remember him with family today. My heart is stretching from Texas to Booneville as this loving man is laid to rest. God's love never shown brighter than through his smile and his laugh. I am forever grateful that we had the honor of having him in our lives for a short 40 years. I pray you all feel God's loving arms around you today as his earthly body is laid to rest. Love to you all ❤️.
