“ Not long ago when I was in the Booneville Baptist Hospital, Amy gave me breathing treatments...She was a sweet young lady with lots of life to look forward to. I knew who she was, I don't know if she knew me...Her Mom and Grandparents lived on the same road that I lived and grew up together...For some reason her death has really bothered me and I have cried a lot since her death...This is way to young to die, but God knows best...My Prayers are with you, Linda and family, May God strengthen you each and every day is my prayer...I'm so sorry I wasn't able to attend the funeral service.
