“ Betty Jane was a year younger than our class of 78, but i moved at the end of 1975 so i missed MS History and MS gov. So i was also a part of the class of 79. I remember Betty Janes Smile and seemed always to be Happy. She was a friend to me and was nice to me everytime i was around their class. Just a very Sweet Girl. I happy to hear and read on facebook how happy her and her husband were and was so happy for them. Im sure they both are just as happy in heaven now. Until we meet again sweet SIS we will all miss You. Prayers for her Family and cousins The Greens.

“ There will never be another sweet, giving soul like Betty Jane. When I think of doing for others...I think of her. She has touched many lives here on this earth and I know she is now sitting at the feet of Jesus restored to perfect health.
