“ Mrs Betty was my cousin. I wasn't around her alot in my adult life but I remember her being kind too me when I was a small child, she fed me when I was hungry, she was so nice too me. That meant more to me than all the money in the world.

*John & Ms Betty took me in as a young 16 yr old girl who married into the family .She always made me feel welcome - even after I wasn't married in the family - she was as kind & loving as always - never a bad word from her - loved her family dearly -kids grandkids & great grandkids & everyone in between .She will be dearly missed by everyone who came to know her! A wonderful person to know!*

“ Mrs Betty was humble, loving of everyone she came in contact with. Mrs England was a true gem, I loved and admired her so much. Mr John & Betty welcomed me into their home and life in my early teens, always so good to me. Betty made a beautiful home filled with love. Material things were not a priority but her family had always been.
