“ I'm so very sorry to hear of the passing of my dear friend and former coworker, Betty. We worked together over 20 years ago at Longwood in Booneville. We shared a lot of memories together including a trip to Tunica and the birth of my son. Praying for Greg and Kaylee and their families.

One certain memory comes to mind when I read this.. one night at work she come in with the obituaries. You know how people always say they read the obituaries to make sure their name is not there.. and there was a lady with the same name as her who'd passed away and she showed me, laughing. Little did I know then that I'd be reading hers today. She was a wonderful CNA and truly cared for her residents. Praying for her family.
