“ *I visited Betty and the family in 1969, when I had just graduated from high school. It was a fun summer, with camping, water skiing, and just getting to know my cousins and their families. I remember one time when Betty and I were checking out at the grocery store and the clerk told us we looked like sisters. I was thrilled, because I thought Betty was so pretty. Condolences to Charlie and the girls, and also Kenneth and Jerry. I know she will be missed.*
