“ There are no words adequate when we loose a loved one. Billie was such a beautiful lady and she had the most delightful sense if humor. She will be missed by all that had the opportunity of knowing her.

I will be praying for the family and may all of you find comfort in knowing how much your mom was loved by all.

Billie was my brother ,Buddy, first girlfriend. That has been along time ago since we met and become friends. We have endured spats but whenever I called on her for help, she always came thru. So sorry to hear of her passing, I ask the kids to enjoy all the memories that she left behind and get comfort in knowing how much she loved each one of you. Thinking of her big smile and how beautiful she was growing up and it puts a smile on my face. I am glad that our paths crossed .

To my Precious Aunt Bill, you are the most precious caring soul on this earth! Always caring for others and hoping they had a great day! I am so happy I got to be with you in your last few days you were alive and I was able to take care of you! The last words we said to each other were “I love you and I will see you Thursday” and I gave you a hug! You will forever be in my heart each time I pass your room! I love you and go rest high on that mountain top with all of your loved ones!! 🥹
