“ Kevin and I will always remember Mr. Bill for the way he always greeted us. He would always say how glad he was to see us and always ask about our family, especially our daughter, Maxy. I think she had a special place in his heart. No matter how bad he felt he would always try to be at church and this is a role model that I hope we can follow. Mr. Bill and Mrs. Faye are some of the most loving people I have ever met. They were always out visiting the people who were in the nursing home, sick at home or in the hospital. God used Mr. Bill here on earth and I know He will use him in heaven. Rest in the Arms of Jesus now. We Love you.
