“ *My condolences to Mrs. Carolyn & the family. I worked with Boyce a few years at Cox-Blythe. He was always like a busy bee that rarely sat down. And he was always smiling. He loved to tell jokes and occasionally he'd pull a prank. He kept us laughing! He made work so much more enjoyable! But most of all I was blessed that we became friends. There will never be another one like him. He truly was a great man!*
