“ I had no brothers or sisters but was blessed with many cousins, among them Carolyn. She was one of my best friends when we were growing up together and I would spend a night most weeks at their house. She grew up to be one of the finest people I'll ever know. She will be sorely missed by all who treasured her friendship and her leadership will be missed at the church she loved and to which she devoted her service. Rest in peace, dear cousin. Your life made a difference.
