“ I worked down the sidewalk from Cathy & Phyllis. Cathy was one of the kindest & funniest people I know. Cathy helped so many of my workdays fly by making me laugh. She had a "calling" for rescuing pets. We had that in common. She carried food in her car to give to stray animals. My husband Ben talked to her often about retirement & she was looking forward to that day. So sad she never lived that long to enjoy it, however I know there was a great birthday celebration for her in Heaven! In fact I was looking for her # to text her Happy Birthday. You will be missed by SO many people Cathy, but we all know you are in an awesome place.

“ when Cathy hired me back in august 2001 I immediately felt the kindness of the person hiring me, we worked together for 17 years through good times, fun times and not so fun times. i have many wonderful memories.

Generous with her time to many people and criters as well, a more kind and loving human being will be hard to replace. I will miss you, Cathy with a C !
