“ Clara Sue was so special to me, my first memory of her was when I was two or three years old. She cooked a chocolate cake and told me it was my birthday cake. I remember thinking that I was suppose to take a bite out of every piece of the cake that was cut. Clay would not let me have a bite of his piece of cake, I cried, pinched a fit and he still would not let me have a bite of his piece of the cake. Clara Sue comforted me and tried to convince me I wasn't suppose to take a bite of ever piece of cake that was cut. I'll never forget that. I cannot remember ever having another birthday cake. To me this was the only birthday cake anyone ever made me. Clara Sue always love people and was always kind to everyone, she has always had a special place in her hearth for little children. She is a very sweet and special person. I love her very much, I'll be 76 my next birthday and I can't imagine what it will be like with her gone. But I believe with all my heart she is now with Jesus her Lord and Savior, I'm sure she is walking on those streets of gold. Was thinking about her today and was wondering what she would be doing her first day in heaven. I know she is having a grand time and a great family reunion. She you soon Clara Sue!

You always had a new quilt in your lap sewing. You set such a good example for all of us. A loving Christian woman. I hold all the memories of you close in my heart. I know you are in a better place, and we will all be together again. Love you, Sue. (Afterall I was name after you, I can only hope to be as good of person as you)

Clara was a precious person. She was always glad to see us when Clay & I visited her. She was always making beautiful quilts. I have several of them. Some have never been put on a bed. I'm the only spouse left of the siblings. But I will meet them again when God calls me home.

So sorry for your loss she was loved by many, and many lives were influenced and changed. She is with Jesus and having the time of her life. My prayers are that you will all be comforted and your hearts will be healed with time and Jesus has broad shoulders lean on him.

Sue was a wonderful Lady and servant of our Lord Jesus. I have many fond memories of Sue and George Lee. Back then our cousins were always close and part of our family gatherings v we attended church together and visited often. Sue and my mother Dorothy Hatley were very close. I'm sure they are rejoicing together in Heaven right now. Prayers for all of you. Much Love ❤️
