“ I pray for Heavenly Father to comfort Donna, Bo, Tonya and Ben. Never forget that it's not goodbye... It's I will see you later from your beloved David. Love is the cord that will keep you together and bring ya'll back together.

Heavenly Father promises families to be together forever for all who love and obey Him. David loves Jesus and every single time I seen David ,he would talk of his love for Jesus and his family. David told me look up at the night sky Tina , you see the light that people call the moon? Well that is Jesus with His porch light on for all those who love Him. That touched my heart so much and I share that with everyone and tell them David Russell taught me that. David was an angel that lived amongst us. I know there is a celebration in Heaven in David's honor and Jesus telling him "Well done my faithful servant."
