So happy I got to meet her. My sister Margaret Miles and Donna ate out at the China Buffet in Tupelo. I really liked her. Prayers for her family.

I have known Donna since she was a young girl. I moved away many years ago but we kept up thanks to Facebook and a few family events. Even with her many setbacks with her illness and loss, she was always excited and friendly every time we were able to visit with one another. Prayers for her family.

If there is one word that succinctly describes Donna, it is her even-keel approach to life. Donna demonstrated that even-keeled temperament to everyone she interacted with, and because of that enduring quality, saying we will miss her would be a HUGH understatement. Well done, Donna!
