“ It broke my heart to read if Sis Ann’s passing. But if there’s one thing I know it’s that she is in a much better place and where she wanted to be. Her and Bro Lanny meant so much to me. They were such a Godly couple and were such an inspiration. I’ll never forget them and our years of being in church together. Prayers for her children and their families.

“ Sister Ann was a very precious lady. A woman that was Godly and showed love. She was a very good friend and prayer warrior with my mother. Loved her and brother Lanny dearly. Her reward she has won. So sorry for her family.
