“ *Many hugs, much love Peggy, Rolf, Derrick and Lance (& families). I have nothing but fond memories of Duane. I will always remember how he loved to aggravate us as kids and my nickname from him was always “V”. Remembering all of you in my prayers!*

“ Hello Peggy,

My sister called me this morning and said she just knew that I would want to know this about Duane. My memories go back to when you and Duane first started dating and your first son was born! My daddy, Leland Carter, thought you were the best basketball player in Booneville, and he enjoyed watching all of my friends play basketball. Then, I remember when you first started dating a very handsome man, Duane. Daddy thought he was grand also, as he was a farmer!

Guess I could not find the time to bring up all the fond memories of us growing up in Booneville -- and, would not want to put to print about some of them! What fun we all had, and now we are in the next phase of our lives.

I knew Duane was in the Landmark. I know you are grief stricken, but your children will be a good support for you, and the memories of Duane and you together will last for the rest of your life. You both can join hands in heaven someday!

My sincere condolences to you. May the Lord bless you, and he will be right by your side.

My love to you and your family,

*Annette Carter Fisher (David)
