“ To Martha, Wanda & Brenda,

I recently discovered the passing of your mother while researching the Holley name in Booneville and was deeply saddened. I first met your mom, and all of you, while visiting my father Roy Holley in Booneville, many years ago and prior to their marriage.

Your mom was special and had a very calming and accepting personality to this young outsider while visiting my father and Fred Holley, know to me at the time as Junior.

Please know, Earline along with you and your families are in my prayers during these difficult times. May your mother's soul rest in eternal peace in God's open and loving arms.
