“ Almost 40 years ago I had the pleasure of meeting Momma for the first time. It was Christmas, I was away from my family for the first time and was alone and sad. I was invited to Momma's house for Christmas dinner. I was welcomed with open arms and fed very well. I even had a gift under the tree! 30 years passed by and I returned again to the same welcome I received before. Open Arms, no questions just love. Momma knew how to give hugs and unconditional love just as God does. She got it! Thank you Momma! Today you get to be with Jesus and have that same unconditional love given back to you that you so shared to anyone who walked through your doors. Thank you Momma for showing us all A Little Piece of Heaven through you! We are truly blessed to have had you as our Momma! Forever in my heart, I love you, Pam
