“ So sad to hear of my old friends passing. But that is just for now, for I do know we will see each other again, and I'm comforted to know that George had a good relationship with our God. I'll never forget having to tell on myself for drag racing with George in my Grandfather's pickup, because a neighbor had seen us and I was afraid he'd tell. A lot of great memories with George and his family when we were in high school and being a neighbor. Our family sends our deepest sympathy and prayers to your family.

“ *Please accept my condolences on the loss of your dear husband. During your time of grief, it is comforting to know that, you do not have to deal with the pain alone. Isaiah 41:10 reminds us “Do not be afraid, for I am with you. Do not be anxious, for I am your God. I will fortify you, yes, I will help you, I will really hold on to you with my right hand of righteousness.”*
