“ He was a spiritual dad to me , we sat together at every church service , he gave me wise , Godly advise constantly, made the most wonderful meals ! I was always so proud and happy for him, that at his age he would golf for hours in the hottest part of the day and month and still be at church , he never missed ! Unless he was out of town , it was a comfort to know he was our neighbor too always there if i needed to talk or just a prayer request for myself or my grand kids being sick , anything. I still feel peace , knowing that he is experiencing what the Bible tells us ,actually meeting Jesus and seeing heaven ❤️
