“ I am sorry about the physical loss of Jan. I remember Jan from Lake Mohawk days. My mother and step father (Mr. and Mrs. McCreary) loved Jan. He was benevolent. He was hard working. May our Heavenly Father comfort you during this time.

“ Some things can never be forgotten. Jan and your family will forever be remembered . Your mom and dad were always so kind and welcoming to your home and to the lake house. Debbie and I both have such great memories. One of my most cherished is that Jan and I started a bicycle repair shop in foster park. That means that we could change and fix a flat tire. Conveniently located next to the cooler at the milk plant, where we could retreat to cool down and treat ourselves to the chocolate milk. Wow ! It just did not get any better than that. Debbie and I are both very sorry that we cannot be with you today, but, please know that we are thinking about you and your family. We will never forget about the Pritchards and the great family you had. God bless you on this day !
P.s. And Debbie said, who will ever forget the Santa Claus that went down the chimney!
