“ Many good memories with Todd. We got to go fishing, make jigs heads for fishing, and got to go swimming over there a good bit. He was also around the ball fields 24/7 making sure we were getting our work in on the field. Going to miss him and our conversations we used to have as well. Rest up cuz!

“ Todd is my second cousin, but he treated me like i was his nephew. He took me hunting and fishing almost every weekend when I was very young. He always gave me straight forward advice. We became closer as we got older as well. Everyday I got phone calls from, cuz. I'm gonna miss you, UNK!

“ I met Todd several years ago and we hit it right off as if we had known each other for years. He was a great guy and the same everytime I would see him at the school when he would bring Tracie flowers or lunch. He loved his family and friends, and he will be missed dearly. I'm sending my love and prayers to Tracie, and the entire family.
Love you all❤️
