“ I have been in Jennie's company several times over the year at my sister Chris's house in IL and she was such a delightful person. I am so pleased to have met her and know how close she was to my sister. I live in VA and so our family was spread out. Jennie was there for my sister when we could not be. Jennie was of Sterling character. May God bless her and keep her. May God shine his countenance upon her and upon you.  
I send my deepest sympathy to the family and pray God gives you,her family, strength. I am so sorry for your loss.
