They were very dear to me! They were like
family to me I grew close to the Goddards
while working w them at landmark! Then I'd
always check up on my days at work while
she was at baptist hospital! She was a wonderful sweet lady . Her
and Mr Goddard always made me feel at home with them! Seeing

“ Almost needless to say, Joan was such a wonderful person. She has had such an impact on so many lives and almost without folks realizing, due to her quiet way. She and her husband, Bobby, are the people who really make a community great and give lend it reinforcing spirit, knitting it together with love, work, uncomplaining self-sacrifice and empathy for all. From her service as mother, grandmother, great grandmother, relative, and friend, to her work as restaurateur, force behind her husband as the Booneville mayor, and more, she has yielded a mighty contribution. Her impact will continue forever through all generations, via her children and their children and so on, as well as all the lives she touched. We will all miss her, none more than her progeny, but it is my firm belief that she continues on with us all, in the gifts she gave us, while looking down on us from her reward in the great beyond. And if we look closely, we will see her all around us, in all the things she took joy in before.
