“ *I met Joann in 2004. I bought my first home on Jackson Street and she was my neighbor. She was the first person to welcome me and invite me to join the RED HAT SOCIETY. Then, I joined the Cedar Hill Highsteppers and we danced together. I will always remember her and her sweet smile. She always had a sincere hug for me and she knew that I loved her. I pray for your comfort during this time. Joann was a beautiful person inside and out.*

Aunt Joann, my aunt by marriage to my uncle A as we called him....Always had a smile on her face. When I was blessed enough to be part of the Cedar Hill steppers... Nothing made me smile more than then seeing her on the floor with that big smile from ear to ear. I certainly will miss this dear lady. She is definitely with my uncle Aaron again.
