“ *Diann and Family,
So sorry to hear of Larry's passing. I often think of our visits to Booneville throughout the years, and cherish each and every memory. I so much enjoyed Larry's company, the stories he told, and his laughter, as well as the companionship of the entire family. I think of you often, and especially in these difficult moments.
Love you all,
Gale (Pike) Mason*

Diane and Family...I was lucky enough to work with Larry for all 30 years he was at Pitney Bowes. Larry was one of the kindest souls I have ever known. He loved his family so very much, and took great joy in talking about them. He was truly a man of God. I will treasure having him as a co-worker, and most important a friend. I know he will be missed by everyone who knew him.. now he is at the Mountain Top..wrapped in the arms of angels and the unconditional love of God. Diane..sending you a big hug..
