“ *You probably won't remember me, but I'm one of Monroe McVey's kids and we used to come there and visit a lot when we were growing up. My mother loved Lillie Mae so much and we kids always did, too. I used to beg to go see her and all the kids. It just felt like I was home because of her sweet heart and nature. I'm so sorry for your loss because I know how sad you are to live in a world where her light no longer brightens it. Know that although we're separated by so many years, the memories of your mother will always be bright. My prayers and thoughts go out to you all.*
