“ I love you all. There are just no words to even explain how very sorry my family and I are for all of you. I could not imagine how any of you must feel. We are family. No matter the miles between us. Logan was an amazing young man. He reached out to me earlier this year on FB. Just wanting to know family that lives away. That is an amazing thing, in and of itself. A teen who cares about family he has never met. ❤️ I am so very sorry and we will be praying for yours.

“ I'll miss my brother... I remember the days when we'd play football in our fathers backyard... We'd always joke about how we'd be the best team there ever was if we'd ever gone into football together... I'll miss him so much.

“ Logan was such a sweetheart. When he was visiting his grandmother, Regina Moore-Capell, he would come to the Library in Bruce and volunteer for the day. He was so sweet to help us do some of the things we old ladies could not easily do. He always smiled, and acted embarrassed when we praised him for being macho. We will truly miss him. Words seem so inadequate for your loss of one so young and full of life and loved by all. I know that he will missed by a loving family and his abundance of friends, May God God surround with comfort and love as only he can. Praying for the entire family,

My heart goes out to all of Logan's family and friends. He was such a sweet young man, always with a ready smile to brighten someone's day. His future seemed so bright, but GOD had other plans. Words are inadequate to express our condolences here, but are best used to ask GOD to put his loving arms of comfort and love around all of you. The coming days will be hard, so lean on Him. He will be your strength.
