“ *Aunt Net was more than an Aunt. She would call for video chats. I didn't want her to see me most of the time, I looked like a bag lady! She said I DON'T CARE! I want to see you when we talk ❤️. She just wanted to see my face 😊. Cathy, David, Kay, Joan, Lori and Butch were more like Brothers and Sisters than cousins. I have a ton of happy memories gathering together as a little girl. She will be deeply missed. I l9ve you all!*
