“ *Margaret, Paulette, and I spent hours fixing our hair and putting on makeup. She was the best little sister ever! She had gorgeous eyes and beautiful skin. So many incredible memories. When Bruce was born she was elated and I am so glad for the time our children spent together. Most assuredly lasting memories.*

“ *I am so sorry to hear of Margaret's passing. She and I worked together at the Prentiss County Health Department in the home health department. She was truly one of the kindest ladies that I have ever had the privilege to work with in my career. I have absolutely nothing but good memories of her! I hope that your memories of her and her love for you will comfort you now and in the future. I will be praying for all of you!*
