“ I am so sorry I did not know this until it was too late. Ms. Marie was so precious to me! I won't ever forget my last real visit with her when she came by the house and stayed a little bit and we got to talk and revisit previous old days. I loved her and I know she will be greatly missed but I'm thankful that she won't suffer on this earth anymore. Sending you my love, hugs and prayers Teresa and the whole family.
