“Nicky, I love you so much Lil bro. I miss you more than you or anyone will ever know. I will continue to stay strong and keep everyone in check for you. I will always make sure Ayden and Grayson know how much you love them. They will be taken care of. I have always kept your feelings and secrets between us having brother talk. I always thought that you and Kimberly were supposed to bury me first because I'm the oldest. I know you are looking down on us right now. Until I see your face again, this isn't goodbye, this is see you later.
