

Noah Kyle Boren

December 10, 2019 - December 10, 2019

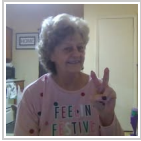

Noah Kyle Boren was born on December 10, 2019, at 9:51 am. He weighed 3 pounds and 10 ounces and was 14 inches long. Noah's little life here with us only lasted a little over an hour, but he will be spending eternity with Jesus. Noah leaves behind his broken hearted parents, Kyle and Samantha Phillips Boren of Booneville; his precious, loving big brother, Kamp; his Papa and Honey, Brad and Trish Boren of Booneville; his Rah-Rah, Robin Sims of Baldwyn; his Poppy, Steve Phillips of Baldwyn; and his uncles, Daniel Boren, Easton Boren, Luke Boren, all of Booneville, and Westin Phillips of Baldwyn. Noah also leaves behind so many great-grandparents; great-aunts and uncles, and cousins that love him oh so much.

Although our hearts are broken, we find comfort in knowing that our sweet angel is resting in the arms of Jesus. We will miss him terribly, but can't wait until we see him again! He was preceded by several family members who were waiting for him with open, loving arms.

The family chose to have a sweet service for Noah while at the hospital in his parent's arms. No other services will be held. Noah will be buried in the cemetery at Martin Hill Freewill Baptist Church. Booneville Funeral Home is assisting the family.

The family would like to give a special thanks to Bro. Steve Howell, Dr. Kristen Turner and staff at Sanders Clinic; the staff at North MS Medical Women's Hospital, and all of our family and friends that have prayed for and with us over the last several months.
