“ I am so grateful that I got to know Mrs. Ouida. I worked for Hematology and Oncology for over 16 years. I loved her smile and loving personality. She was one classy lady! She was so tough and fought through so many obstacles while battling Breast Cancer! Mr. Massengill was right by her side through it all and gave her the very BEST of care. As they say behind every great women is a great man! I will always cherish my memories of the both of them!

“ Ouida was one of the best business women I've ever known. She knew exactly what she wanted, and intended to get it "her way". I know that she had a long struggle with cancer, but never seemed to let that get in her way. I always felt like I was a friend to her and Ray. My condolences go out to the family.

“ My heart is very heavy right now. Ouida, Pam, and Laura were always closer than just cousins. These women were and are beacons of light. Ouida's kind heart will never be forgotten.

“ Such a lovely lady I met her years ago when I went to live with my best friend Vicky Bishop Patterson ... And her mom Pat and stepdad Ellis ... All R.I.P ... But she was such a lovely lady and would help anyone in need didn't matter her and Ray were always so happy and family ment everything to her ... She was so outgoing ... It really hurts my heart to know we have gained another Guardian Angel she will be truly missed ... It just saddens me but brings back a lot of special memories

“ My oldest memory of her is from when I was a small child. We were visiting them and I spilled grape soda all over her white carpet. She didn't say a word to me. 😊 Don't know what she said to my parents. Lol
