“ I always enjoyed going to Peggy's house growing up. She was the cool mom. She treated us more like grown ups. It always seemed that she loved being at home. And she always had the biggest smile. I always remember her being in the best mood and always so friendly. As we would leave she would always tell us yall be careful. I also remember the year we graduated and went to Florida. We were going to be in Floridia at the time of Melissa's birthday. She had never not been with Melissa on her birthday so it was a big deal that she made sure we understand that Melissa should be treated like a princess on her birthday!! She made sure that we would have her a cake and celebrate her birthday in Florida while we were gone. And we did just as she asked. I still remember me and Keith vuncannon making Melissa a birthday cake. I know how much all of you loved her and I totally understand why. She put all of you on a pedestal and was so glad to see each of you shine!!!

“ *To My Loving and Caring Sister, Peggy*

*I thought of you in love today,
but that is nothing new,
I thought about your yesterday
and days before that, too.
I think of you in silence,
I often speak your name.
Now all I have is memories
and your picture in a frame.
Your memory is my keepsake,
with which I never part.
God has you in his keeping,
I have you in my heart.*
