“ Peggy was such a wonderful person. I loved and will always recall her laugh. It was like a little giggle. It made everyone laugh with her. Peg was so fun to be around. She was always kind and willing to do for others. She flew half way across the States to help take care of my newborn infant when I was hospitalized. She loved her husband and son soooo much and loved being around them and taking care of them all the time. Our extended family won't be the same without her. Rest in Peace sweet cousin. I will always love and remember you.
