“ Mrs. Marie or Mimi as I knew her was truly one of a kind. I first met her at Pier 57. I still know how to chop and prepare a salad thanks to her. Plus so much more. She was the sweetest soul. Truly loved others and was just a joy to be around. I know she will be deeply missed.

“ Marie was a loving part of our family as long as I can remember. She had a way of comforting you and making you laugh no matter what the situation. Marie had the biggest heart of anyone I know and she is now with Larry, my mom and my brother and I can only imagine the joy and laughter from their celebration. She will always be remembered in our hearts.

*MS Marie was like family as long as I can remember. She was always so delightful to be around and was always teaching you something. I am so sorry, Keith, for your loss. I know that feeling all too well, and just know I love you, I am praying for you, and I am here my dear friend if you need someone to talk to, yell with, or just cry with.*

*I had had the honor and pleasure of having my Mimi come into my life thanks to her, dear son Keith, who brought her to me at my studio in late 2024 in NJ! I wish I had known her for many more years, but in the precious time, I knew her she filled me with inspiration and made the colors of my life all the more bright and vivid. Mimi holds the magic wand of the love of life like she were holding an artist's brush and painted a world of friendship and kindness for many, many of us . God bless you, dear lady . Love always, forever and a day. Andrea Mistretta and hubby Perry Quaranta.*

*Keith, I'm just seeing where your sweet mama passed away recently. Although it's been many, many years since seeing you and your family, I have a lot of sweet memories from days gone by. My heart hurts for you because I know you had the same close relationship with Marie that I had with my mom. The void can never be filled but I hope you have peace knowing how much she loved and cherished you...as you did her. Sending prayers and hugs.*
