“ He was a kind grandfather who played even when he was hurting. His grandson says he misses Papa’s, “Hey! What are you doin’?” While I didn’t get to meet him until a few years ago, he has a special place in my heart for how much he lit up when little one entered the room.

He sure loved our little guy. He just did not get to stay with us long enough. Miss him tremendously. I've always been part of him and him in me. ☐
