“ I have the most wonderful memories of my Uncle Robert. He was always so sweet to me and had a smile on his face. I remember when I was little he would sometimes come with my Papaw to get me from the airport. He would even bring my lost luggage all the way to New Site for me. His face always made me think of my Mamaw and it warms my heart that they are now together... with Uncle R and Aunt Betty... laughing.. loving...being sweet together. Makes me happy to know the are up there watching over me. I am thinking of everyone and sending air hugs!! Love you so much.
