“ To my oldest Sister Belle I always looked up to you for guidance and you were my rock , even though you never knew , I watched and listened to you every since we were little girls living in the old home place in Kentucky , Memories of you using A Prince Albert Tobacco Can that was cut into strips to curl my hair for School Pictures one time ! Yes it was a kinky mess , but we thought it was the most amazing thing , just to have something just to make curls with ! Belle , I'm gonna miss our phone calls , mostly talking about coloring on the tablet, as we could not get anything done ,because we loved that so much . My Christmas Card ever year, I never knew this would be my last one from you SIS !! I will Cherish it for the rest of my life and it will hang from now on each year with the all the cards !! “LOVE YOU MY OLDEST SISTER BELLE “ We will see each other again someday ! AS FOR NOW MY HEART HURTS So very very bad , But my Memories will be there forever !! “ With all our love my Sister Belle your body made whole again , rejoicing with our loved ones, till we meet again !! “ Belle was a wonderful neighbor to have through the years. My mom and dad enjoyed having her and Woody right across the road. I'm going to miss our frequent phone conversations, sitting with her on her front porch talking and watching the hummingbirds, meeting at the mailbox to chat, and just waving at her across the road. She was a precious lady who loved her family, I enjoyed hearing her talk about each one. It's a blessing to know where she is, because we've talked about our faith. Prayers for all of her family and friends - she made a great impact on all who knew her. ❤️ you, Belle, my sweet neighbor and friend.

“ I was so blessed to have you in my life and will miss you so very much. Your phone calls, texts and cards always made me smile. Hearing you chuckle and remembering you saying “hun” will forever bring me warmth. Your entire family and friends love you, dearly...you are the best of the best! Say hi to dad when you reunite and know we always hold you both close to our hearts. Ps..please watch over all your “little ones”, keep them in check. Haha
