“ I am sorry about Bro. Terry, he was a great man to be around, and he always had a great smile on his face. When he was at the funeral home, we had a great time together with the other staff of the funeral home at the time. He will surely be missed. I will be praying for the family during this time of sorrow, and grief.

“ When Mr Terry was with the Masters Quartet they would come to our church for homecoming when I was little. They sang this ole house and he would do the hound dog and it tickled me every time. I loved him and he loved the kids always got a hug and a piece of candy if he had it.

“ *My parents and Terry's parents were friends and visited, when I was small. Terry was several years older than me and would ride me on the handle bars of his bike. A memory I've never forgotten. Love and prayers for the entire family. Ruth Lindsey*
