“ *Theresa was to me, one of the most special people God has blessed me with. I will miss her more than words cans express. We started out neighbors, I still drive by her old home daily. She entrusted me with care of Christina before she headed off to school daily so Theresa could assist the Peoria school district with special needs children. That's how it started and blossomed from there. My sweetest memories are our 2-3hr coffee dates where we would hear each other out and solve world problems. Theresa loved...and my children and grandxhildren felt that. She was Grammy Theresa to my grandchildren and to this day when we go pass her old home and yell out we love you Grammy Theresa! She will always be with me in my heart, mind and being. I love you Christina and Larry and my thoughts and prayers are with you.*

“ I met Therese about 34 years ago when I was working for Elizabeth Arden on a military base in Hampton Virginia. Teresa was working there as well, and we became friends instantly. We both had only children, each a daughter only a month apart in age. We shared Child care and placed our daughters in Fox Hill private school for part time enrollment. The children became good friends, and although Theresa moved, we kept in touch. It seems as though we were meant to stay friends, because after her husband 's tour in Germany, they headed to Phoenix where ironically, we had moved two years before. The girls rekindle the relationship, as well as Theresa and I. We stayed in touch up until her move back to Mississippi. We shared many family stories over the years about our daughters, our husbands, and our lives. I will truly miss the friend that I had over those years. She was a wonderful faithful lady! I send hugs and prayers to Larry and Christina As well as her other family members. Peace be with all of you. Love, Nadine Yuhasz

Theresa became like a sister to me when she married Larry almost 50 years ago. We shared holidays, birthdays, vacations and many special occasions as friends as well as family for all of that time. She leaves a void in our family that can never be filled. I am certain that she is in Heaven now rejoicing with all of her loved ones who have gone before her. I loved Theresa and will miss her always.

Theresa will always have a place in my heart. When Theresa and Larry moved from Arizona to Mississippi I missed them terribly but I knew that I could talk to Theresa every day. I already miss our daily talks but I will be with her again in Heaven. She is missed by everyone who loved her. I Love you Theresa, Love Mom (Edith Estelle Farris)
