“ *Dear Bo, Lacy, Dustin and to the rest Tony's family, there are no words to express how sorrowful I am for your loss. Not only the family, but, to everyone and anyone who knew Tony. He and I shared some crazy times after work when we'd go to his house and listen to some old rock and roll. We shared some great times and a few rough times, but all was good. I wish there was something I could do or say to ease your pain. My wife and I will be in Memphis on the second for her surgical procedure and sadly won't be able to make the services. Rest assured our hearts and prayers will be with y'all. Peace and Love*

“ *I will always cherish the memory of just hanging out you. The talks and laughter while just riding the roads and playing that rock n roll (loud). We were young but our friendship grew old with us. I'll always remember that smile of yours. Your Raiders got a lot better when they started getting those Mississippi State players 😄 Love ya man, You will be greatly missed #GetYourWings*
