*This is the lady that MADE ME WANT to go to church! She was my neighbor, my cousin and everything good one would want in one's life. She would pick my sister's and I up for Sunday school because our mom was coming to preaching. I know where she is setting, right now- so I'm not sad. I am so excited for Inez! She is EXACTLY where she deserves to be. Beautiful lady, you will be missed on earth, but you will look glorious in heaven. I love you and all you have taught me to be.*
