“ Virginia was a super nice lady. I will always remember the family get together at Booneville City Park. She was the smiling and laughing one of all of them. She made you feel like a special person. Your family is in our prayers. Barry and Gina Robinette and family

“ My sweet Aunt Virginia did not have children of her own, but she treated my mother as if she was her own. She treated the 4 of us as if we were her grandchildren. She loved to speak of my childhood, how much I loved to come spend time with her and bake cookies. She was the type of lady that could light up even the darkest of rooms when she walked in. She always had a smile on her face and a door open to everyone. I'm thankful for time spent with her, but I am also thankful that she has the ultimate healing and is with loved ones in Heaven. She will be missed, but I look forward to the day we meet again.

“ Praying for the family. I met her when I was an eighteen year old kid and she always took up for me when Uncle Hubert would pick on me cause I was so shy and "dumb". Really loved her and so sorry I was not able to see her on my last visit, She's the kind of person that will never be forgotten Love to all, Brenda Carpenter Langley
